Dear Robert:

In 2007, the CAI College of Community Association Lawyers (CCAL) started recognizing new CCAL members with a CCAL certificate of achievement to display in their office. Since the practice of recognizing CCAL members with this certificate came after you were inducted into the College, I thought it would be appropriate to offer you this recognition too.

Please accept the enclosed certificate as a gesture of recognition of your expertise and dedication to the area of community association law. It is my hope that you display this certificate in your office so that your clients and peers recognize your accomplishment and expertise.

Thank you for your leadership in the industry and for your contributions that have shaped the community association housing model.

Sincerely yours,

A handwritten signature in black ink that reads "DM Bauman" with a long, sweeping horizontal line extending to the right.
